

Hello Dave,

Jill and I would like to take this opportunity to thank you for the wonderful job you did on our kitchen remodel.

We have worked with a lot of other contractors over the years and we must admit, you are the best.

Your attention to detail and ability to deliver outstanding value, while all the time staying within budget, was truly amazing.

If there is ANYONE who would like to talk to us or come over to see your work, consider this an open invitation to call me on my cell to discuss or arrange a tour.

You are the only builder we will use from now on.

Good luck in the future and stop by for coffee some day.

Best Regards

Jill and Mark

PS: That walking on water thing was pretty cool too!!
