

David Schertzing is a parishioner at St. Gerard Church. One day, I just happen to look on the back of the bulletin and I saw David's advertisement. So, I called him and left a message telling him that I would like to have my bathroom remodeled. He returned my call to make an appointment to come and look the job over. He stopped by and took some measurements. Then, a day or so later, he called me and said that he had prepared a bid for me. I told him that I needed to have the bathroom finished by August 3<sup>rd</sup> because I was going to have surgery. David started the job July 20<sup>th</sup> and was totally finished by August 2<sup>nd</sup>. He did a great job! He made my bathroom look wonderful! I love my bathroom the way he put it altogether. It is amazing the way he did the complete make over in such a short period of time. He even had one of his workers come on Sat., July 24<sup>th</sup> and Sun., July 25<sup>th</sup> to do some mudding and ceiling work so he could paint the bathroom on Mon., July 26<sup>th</sup>.

David was so organized that everything was getting accomplished just like he said it would. He is a hard worker and he's very careful about his work too. He put plastic down on the floor and on the carpeting. After his work was done, he always made sure that everything was picked up.

David really cares too. After I had my surgery, he called me at the hospital to see how I was doing. He even sent me a get-well card from him and his wife.

Thank you David. You did a great job.
