

To whom it may concern:

This is a letter of referral for David G. Schertzing Builders Inc. After several interviews with builders in the area, we selected David for our Kitchen remodel. David and his team provided excellent service and workmanship throughout the remodeling process. David communicated with us every step of the way to make sure we always were working together as a team. He is trustworthy, honest and hardworking. We are so pleased with our kitchen and we are very thankful that we used David Schertzing as our contractor. Anyone who is looking to remodel their home should use David and we will definitely continue to use David Schertzing Builders for future projects in our home.

Sincerely,

Dr. and Mrs. Kevin and Sarah Murphy
