Dave,

What can I say? Joe and I are beyond pleased with the wonderful kitchen and family room remodel you did for us. On a scale of one to ten, we would give you a twenty!!!! .

Being empty nesters we were facing the decision "Should we stay or should we go?"

When we first spoke to you we knew that we could put our trust in you. You delivered everything you promised (plus) and in a timely manner. We were able to reach you anytime with questions that popped up along the way. You were great to work with and very patient with me as I struggled to make decisions. Your workmanship is excellent. The contractors you choose to work with are all very professional and they think highly of you. We would welcome anyone that is considering building a new house or remodeling a room to come see our fabulous new kitchen.

Thank you and God bless,

Mary Lee Sanford-Potvin
